Mr Tim Wright  
Australian Campaign Director  
International Campaign to Abolish Nuclear Weapons  
G3/60 Leicester St.  
Carlton VIC 3053

Dear Mr Wright,

Thank you very much for your letter dated 4 February 2011 enclosing the "Guide to Government Positions on a Nuclear Weapons Convention".

As you are aware, Lebanon's position is rated very supportive for it.

We hope that there will be a universal treaty adopted in the near future to outlaw and eliminate all nuclear weapons.

With kind regards,

Yours sincerely

Jean Daniel  
Ambassador
